Description

Bailey Estates is offering this very rare opportunity to purchase a two bedroom semi-detached family home, plus a separate yard and detached coach house to the rear. With the correct local planning approval, the coach house could offer the future buyer many development opportunities..

The two-bedroom house is well maintained and is briefly comprising of a front storm porch, entrance hallway, front & rear reception rooms, breakfast kitchen, two double bedrooms, and a family bathroom. There are enclosed gardens to the front and rear aspect.

There is a separate driveway that runs alongside the house to a rear courtyard where the detached coach house and garage are situated. The coach house requiring renovation is presented over two levels with the garage alongside. This would be ideal for conversion, and also offers the opportunity for a workshop, and rented storage. (Local planning approval depending)

This is a great opportunity on many levels and we invite all interested buyers to call our office for further details and arrange an early viewing. 01704 564163.
